

# Hawaii Site Listings for Tax Season 2009

A Volunteer Return Preparation Program Sponsored by  
AARP Tax-Aide, Internal Revenue Service (IRS), State of Hawaii Department of Taxation,  
Armed Forces, Community Organizations/Coalitions, Educational Institutions & Financial Institutions

## FREE TAX HELP

Do you need help with your income tax return? You may want to visit a volunteer site. Trained community volunteers can help you with some tax credits for which you may qualify. AND, this help is absolutely FREE!

This program offers help with preparation of basic Federal and Hawaii State income tax returns for those who cannot prepare their own tax returns and have low-to-moderate income. Special services are also available for the Armed Forces, elderly, persons with a disability or limited English speaking.

The AARP Tax-Aide designated sites give special attention to those who are age 60 and older. Check this site listing for the volunteer site nearest you or **call 24 hours daily (FREE 24/7) for the latest updates:**

AARP Tax-Aide at 1-888-227-7669; or

Aloha United Way at (Neighbor Islands) 877-275-6569; (Oahu) 808-275-2000

## Where's My Refund?

Check the status of your individual Federal income tax refund at [www.irs.gov](http://www.irs.gov) or by calling the IRS Refund Hotline at 1-800-829-1954.

## Are YOU eligible for the Refundable EARNED INCOME CREDIT?

Do you qualify for the maximum Earned Income Tax Credit (EITC) of \$4,824 for tax year 2008? If you have a valid Social Security Number (SSN) and at least \$1 of earned income (such as, wages, salaries, or tips) and meet certain other requirements, then you may be eligible for the EIC!

Ask a volunteer for help in figuring the credit or visit the IRS Web site to check if you qualify by using an interactive tool ONLINE—the **EITC Assistant**. Get a FREE copy of **Publication 596, Earned Income Credit**, by mail or by downloading from the IRS Web site at:

**[www.irs.gov](http://www.irs.gov)**

FREE electronic filing (IRS e-file) of your Federal and Hawaii State income tax returns is available at most volunteer sites. It is a fast and accurate way to file and get your refund in half the time. Direct Deposit of your Federal refund is FREE and goes directly into your bank account in about 7 to 10 days. **Ask about Form 8888, Direct Deposit of Refund to More Than One Account.** If you owe tax, you can e-file early and electronically designate payment for a later date in a single step. And, YES!—Your Electronic Signature means no more postage stamps. Both spouses must be present to sign the tax return if Married Filing Jointly.

A nine-digit site identification number at the bottom of your tax return will identify your return as one of thousands prepared by trained volunteers. It in no way affects the likelihood of an IRS examination (audit) of your return.
